PURPLESTRIDE[®]
INDIANAPOLIS 2019

PARKING

Parking at White River State Park is limited. We encourage participants to carpool or use public transportation whenever possible. Uber and Lyft are also great resources for transportation.

Please note there is an elevator from the underground parking garage and we encourage those with limited mobility to utilize this space for ease of access.

Parking at the Riverwalk Garage is \$6 and you may pay with a credit card as you are leaving the garage.
