Dear Team Members,

Making a self-donation is a great way to kick-start your fundraising. I just made a donation to my own page - will you match my gift on your own page?

Participants who make a self-donation raise on average more than double the amount of those who don’t. It’s an easy way to get friends involved too, because you can make your self-donation and ask them to match your amount by donating to your fundraising page!

To make your self-donation, simply click here, search for your name and click “Donate Now.”

Happy fundraising!

A link to your Page will automatically be added to the bottom of your message.
