

Our Wall of Honor is designed to celebrate our pancreatic cancer survivors and memorialize those loved ones we've lost. Celebrations and memorials are displayed on the Wall of Honor at the event.

We will display memorials on our Wall of Honor at PurpleStride Puget Sound event and possibly at other events in the future. If you would like to participate, there are two options:

- A) "22x14.5" survivor celebration or a memorial, including a photograph and life information
- B) B) Photograph only memorial – includes photo, full name, birth and passing dates to be grouped with other memorials for display
